I-430 LANE CLOSURES SCHEDULED

LITTLE ROCK (5-25) Crews replacing lenses on reflective pavement markers will require lane closures on Interstate 430 in Little Rock and North Little Rock this week and next, according to Arkansas State Highway and Transportation Department officials.

Weather permitting, work will begin on Wednesday, May 26 and Thursday, May 27 (no work on Friday) and continue through next week. The lane closures will be from 9:00 a.m. to 3:00 p.m. each day.

Work will require alternating lane closures in both directions between Interstate 30 in Little Rock and I-40 in North Little Rock. Crews will start at I-30, go northbound to I-40 and then go southbound back to I-30.

Motorists should exercise caution when approaching and traveling through all highway work zones.
